Our 1960 Introductions

FABULOUS: "A" I.C. to St. C. The outer petals are French rose, three or four rows of petals at the center are Dresden yellow, making a very spectacular combination. Blooms facing on good long stems. Good foliage and a strong grower. Height 4' to 5'. Winner of American Home Achievement Medal and A.D.S. Seedling Sweepstakes at the Scioto Valley Dahlia Society Show at Chillicothe, Ohio **ROOTS \$15.00 NET**

MARIE LUPE: (Parker-Robens). We use the late Henry C. Parker's description. "It is an orange or autumn colored F.D. which is nearly as deep as it is wide. It may measure 9" to 10½" by 7" to 8". All of my blooms faced perfectly. In 1957 at the NCDS Show it won first in the class No. BA and a first in the seedling section." We have grown this for two years and our description corresponds with his. Will add that it is a very strong grower and a good root maker. **ROOTS \$10.00 NET**

ROBENS WHITE DOVE: "B" I.D. White. Early blooms may exceed 8"; after that they will stay in the 8" class the entire season, unless feed and water are applied. Good long stems hold blooms well out of the foliage. A thrifty, vigorous grower with good foliage. Blooms facing or up. We believe this will win awards and is needed in its class. **ROOTS \$10.00 NET**

MANY

ROBENS

LAVENDER PRINCE: "B" F.D. Lavender. Unusually good stems and foliage. A tall grower 6' to 7'. Blooms facing up, and will grow fully 8", and very deep. Petals come back to the stem nicely. Should be a winner on the show table. **ROOTS \$10.00 NET**

THE BLUSH: Miniature, F.D. A very light shade of yellow with a blush of Camelia rose. Blooms on good, long, strong stems facing up. A free bloomer and a vigorous grower.

ROOTS \$5.00 NET
